WOW!

THAT'S SO INSPIRING!

AND ME ?

THE POWER OF USHER SYNDROME

**We are aware of our unique
perception of the world**

**WE NEED TO EDUCATE OUR
MIND TO EMPOWER THE
DETAILS OF WHAT
WE SEE AND HEAR**

**THE SENSES ARE CHANNELS TO
PROVIDE INFORMATION BUT
LOW VISION AND HEARING
LOSS CANNOT LIMIT OUR
IMAGINATION**

**WE CAN BE OF INSPIRATION
TO OTHERS**

not only to other Usher people

**USHER SYNDROME IS SURELY A
BURDEN IN DAILY LIFE**

**CAN IT PREVENT US FROM
DREAMING?**

**A DREAM DOES NOT HAVE TO
BE EXTRAORDINARY**

**OUR LIVES ARE ALREADY
EXCEPTIONAL JUST BECAUSE
WE ARE UNIQUE**

WE ARE UNIQUE

NOT

BECAUSE WE ARE USHER

**HOW CAN WE TURN DREAMS
INTO ACTION ?**

HOW ?

DO YOU HAVE A DREAM?

**Although they say it is better
to have a clear dream and
clear goals, START
SOMEWHERE, SOMEHOW.**

MONEY

**Do not hide behind the
“I don't have money” excuse.
There are several ways to find
money**

TIME

**Set your priorities and invest
time on what really matters to
you.**

CONNECT WITH OTHERS

We are a big community and we need to go beyond the country/regional barriers.

BE (A BIT) SELFISH

Do things YOU like!

RESEARCH, STUDY, LEARN.

**There are countless tools
available to support your
dream. Just dig them out.**

YOUR LOCAL COMMUNITY

**Friends and family are the first
who can support you.**

DON'T WAIT

**Is it a bakery? a coffee shop? a
cycling trip? a parachute jump? a
painting course?**

TODAY is your NEW TOMORROW
